Re: **An Invitation – Presentation of Traffic Management and Community Relations Plan**

You are cordially invited to attend a formal presentation of a proposed traffic management and community relations plan (the “**Plan**”) that seeks to address various concerns of residents of Ayala Alabang Village, especially residents in the vicinity of De La Salle Santiago Zobel School (the “**Neighborhood**”). The presentation will be held on **March 7, 2015 (Saturday), at 10:00 am, Center of Performing Arts, De La Salle Santiago Zobel School, University Avenue, Ayala Alabang Village, Muntinlupa City.**

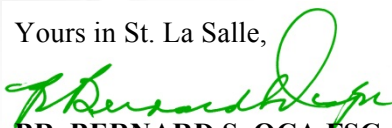

In our presentation of the Plan, we will discuss proposed approaches to addressing various issues that affect the Neighborhood and the community at large, including traffic congestion, vehicle volume reduction, student population, enforcement of traffic and community rules and regulations, air quality management, and other related issues.

The Plan has been formulated based on a thorough evaluation of the issues affecting the Neighborhood, our dialogue with residents in the Neighborhood on February 14, 2015, and our consultations with members of the DLSZ community and other stakeholders.

In presenting the Plan, we aim to build consensus within the community regarding our proposed programs of action that will address relevant problems and issues at hand, and to establish an environment of collaboration and cooperation among various stakeholders.

We thank you in advance for your time and participation.

Yours in St. La Salle,

BR. BERNARD S. OCA FSC
DLSZ President
