RE:

**Call for donations for Nepal earthquake survivors**

Two years ago, when Typhoon Yolanda hit our country, the gravity of the tragedy and sense of loss were unimaginable. That, however, was also the time that we witnessed solidarity and compassion demonstrated by both local and international support that we received.

Last 25 April 2015, a 7.8-magnitude earthquake hit Nepal. With the number of lives that has been lost, properties left beyond restoration and with the threat of human trafficking among young women and children, Nepal is in urgent need of help for immediate survival and for the long-term rehabilitation.

In view of this, I call upon our Lasallian communities, alumni and partners in the Philippines to return the kindness and generosity we received in our own time of need. Let us demonstrate the spirit of "One La Salle" by extending financial assistance to the earthquake victims in Nepal. The Advancement Unit of the DLSP Central House Administration (CHA) will accept cash and check donations starting today until 15 June 2015. We will convey our assistance to those affected by the earthquake through the Consulate of Nepal in the Philippines.

For concerns or inquiries, please contact Ms. Claudeth Cantoria through email at [advancement@delasalle.ph](mailto:advancement@delasalle.ph) or telephone number (02) 721-2000 local 603. Below are the information on our depository accounts.

Monetary donations may be deposited in any of the following:

Account Name: DE LA SALLE BROTHERS INC.  
PESO Account No.: 1296-714778
