De La Salle Zobel Alumni Association

BR. BERNARD OCA

Brother President – DLSZ

Dear Fellow Lasallians,

First of all, I wish to thank you, my fellow alumni, for giving me your vote of confidence as De La Salle Zobel Alumni Association (DLSZAA) President. I look forward to working with you and our partners in the La Sallian Community to ensure that our alumni association grows and continues to be a relevant and effective organization focused in more civic work based on our tenets of faith, service and communion.

My term will continue to work on our association's mandate to be a significant organization to its stakeholders, the graduates of DLSZ; and provide them with ample opportunities to come home and be a blessing to others. We will do this by organizing more activities in which the alumni can share, such as in sports, arts, civics, and spiritual activities.

And finally, my desire is for the DLSZ-AA to be more visible force in the DLSZ community and serve as examples to our younger La Sallians.

Yours in St. La Salle.

Sincerely,

DUNN LAWRENCE F. SAHAGUN

President - DLSZAA
