Dear **Grade 9 Parents and Guardians,**

Greetings of Peace!

The summary report of your child's career assessment in **Profile Career Keys (PCK)** is now ready for viewing in the Family Portal. Once logged in, please click Documents under the Academic section. The **PCK** was taken by the Grade 9 students last January 26, 2021 to February 4, 2021. Kindly keep your copy of the report for future reference.

The **PCK** is a multi-dimensional career assessment tool that measures and evaluates cognitive abilities, interest areas and work values. It is composed of three subtests: the **Ability Profiler**, **Interest Profiler**, and the **Work Importance Profiler**. The **PCK** results include a profile about suggested occupations by job zones and industry. It will be used for recommendation purposes in career guidance as well as to assist students in making an informed decision in choosing their Senior High School track and strand.

To guide and assist you in the interpretation of your child's **PCK** results, you may access this shared [PCK drive](#) starting today, **April 23, 2021**. May we kindly request for your participation in answering the [feedback form](#) about the provided resource materials and test result.

Should you have further inquiries, you may email your child's School Counselor or level Psychometrician. The details are found below:
