August 12, 2021

Dear **Junior High School Parents and Guardians**,

Greetings of Peace!

As we approach the middle of Term 1 of this academic year, we enjoin you to check the Current Term Standing (CTS) of your child/ward starting August 16, 2021. This is to provide you with feedback on the missed, incomplete, and unsubmitted academic requirements and failed assessments for Cycles 1 and 2 under the grade components of Written Work (WW), Assessments for Understanding (AU), and Performance Tasks (PT), as well as to offer support in managing and monitoring your child's/ward's academic progress.

This academic year, you will be able to view this information in our Canvas LMS through the Canvas Parent App. Kindly access this document, [How to View the Current Term Standing \(CTS\)](#), that will serve as your guide in viewing your child's/ward's progress using the said app. Hence, it is imperative that you download and register in the Canvas Parent App. Please refer to the announcement regarding this posted last week to guide you in setting up your account. You may also click on this link to help you set up your account: [Canvas Parents and Guardians Observer Account](#).

The Canvas Parent App enables you to view your child's/ward's course events, upcoming assignments, tasks submission, and scores. If you encounter any problems or technical difficulties, you may contact our Information Systems Technology Support (ISTS) Office via email or Google Chat at it-helpdesk@dlszobel.edu.ph.

In your Canvas account, you may click on the different subjects your child/ward is enrolled in. The assessments which you will primarily check for every subject is indicated in the following matrices:

Grade 7 CTS Matrix	Grade 9 CTS Matrix
Grade 8 CTS Matrix	Grade 10 CTS Matrix

To guide you on how to navigate Canvas, please click on this link and acknowledge receipt of this letter as well to signify that you have checked your child's/ward's progress: [Canvas Parent App Instructional Video and Acknowledgement](#).

From August 16 onwards, may we ask you to find time to visit your Canvas account to be updated of your child's/ward's progress throughout the term as well as communicate with teachers as needed?

Thank you very much once again for your dedicated partnership with the school towards achieving our goals this academic year.

In St. La Salle,

Ms. Leah Marie T. Castillo
Junior High School Vice Principal
