December 11, 2021

Dear **DLSZ Parents and Guardians,**

Warm Lasallian greetings!

As the government lowers alert levels in many areas of the country due to reduced cases of COVID 19 infections and we transition to more normal conditions, the school would like to conduct this Survey to know your thoughts and preferences with regards to your child's education come AY 2022-2023.

Through the gathered responses from the survey, the information will help us gauge the situation on the ground and plan according to the needs of our school. The survey covers relevant items about returning to school such as learning preferences, transport, cafeteria, health situation, vaccine information, and more. Further, it inquires on important items about your child's ODL experience.

This is just one part of a series of consultations with parents that we intend to conduct for the duration of the planning process for post-pandemic scenarios. Hence, we cannot stress enough the importance of your participation in this survey. Please click on this link [DLSZ Survey on Post-Pandemic Classroom Setup](#) to access the survey. Survey deadline is on **December 16, 2021**.

Thank you very much.

In St La Salle,

DLSZ Administration
