## Guidelines for the Zoom Live Event

As previously decided on, we shall be using the Zoom Live Event for this year's Moving Up Ceremony. To maintain the formality and order of the occasion, we expected everyone to abide by the set guidelines that we will implement during the ceremony.

- ❖ Students must look presentable. Their hair must be properly groomed (not covering the eyes) without long sideburns, mustache, goatee, or beard, and wearing the prescribed attire for the event.
- ❖ Once the student's name is called during the awarding of certificates, the parent/s, guardian/s, or any family representative/s (maximum of 2) are expected to be beside the student with the video camera on and showing the upper half of the body.
- ❖ Family representatives are expected to wear semi-formal attire for the event.
- ❖ No unnecessary gestures and inappropriate facial expressions are allowed to preserve the solemnity of the ceremony.
- ❖ Use a light-colored plain background for your video.
