RE : **SSO BULLETIN # 2022-06:
DRRM Help IDs**

Lasallian Greetings!

In line with our Disaster Risk Reduction Management 's (DRRM) awareness campaign, we hereby enjoin all students **to print, fill out and laminate the small and the big Help IDs.**

(https://www.dlszobel.edu.ph/wp-content/uploads/2022/09/HELD-ID-BIG_official.pdf)

These Help IDs contain relevant information that will be useful during disasters specifically addressing an **emergency medical intervention** and the **reunification process** with the families which is part of the school's emergency plan. **Small IDs** must always be worn, together with a whistle and penlight/mini flashlight. **Big IDs** on the other hand, must be submitted per section and collected per level by the Coordinators for Student Affairs and Formation (CSAFs), then forwarded to Safety and Security Office (SSO) not later than October 3, 2022 for the prescribed safekeeping that should complement the reunification process when disaster strikes.

It's high time that we update the compilation of these Help IDs to include the new students and to keep the old students' information valid, particularly addresses, photos, health issues, contact numbers, among others.

We also call upon all Lasallian partners to have these Help IDs worn together with our DLSZ IDs with whistle and penlight/mini flashlight.

Thank you!
