Dear **Parents/Guardians**,

As the summer heats up, our heart to teach, create and innovate is also burning. With that, we are pleased to welcome and inform you all about the Robotics Summer Camp 2023, a special curriculum intended for all the students inside and outside DLSZ. Everyone can enroll in **Face-to-Face Robotics Summer Camp from Grade 1 to Grade 12**. We will teach your child how to build and program in full realization of robotics and its importance to an ever-changing 21st-century world. Creativity, Collaboration, Critical thinking, and other 21st-century competencies will surely be achieved in Robotics Education, Sports, and Games application.
