Re : **Reminder on Maynilad Water Service Interruption – DLSZ Alabang Campus**

Maynilad will have a scheduled valve replacement at UF Filtrate Valve Racks of PWTP 2 located in Bgy. Putatan Muntinlupa City. This may result to low pressure to NO water in the South area including Ayala Alabang following these schedules:

- September 28 at 6:00 PM until September 29, 2023 at 6:00 a.m.
- September 29, 2023 12:01 pm until September 30, 2023 at 6:00 a.m. and
- September 30, 2023 at 12:01 pm until October 1, 2023 at 6:00 am

The school will have sufficient water supply for handwashing and comfort room use but we encourage everyone to use water wisely and responsibly:

1. Avoid playing with water
2. Turn off water tap while brushing your teeth or applying soap in your hands
3. Report any observed water leaks
4. Bring your own drinking water.
5. Wash your personal utensils at home
6. Take short shower or use buckets after sports activities

For further assistance, you may call the following:
