Re : **MERALCO REPAIR AND POWER INTERRUPTION ADVISORY**

The Manila Electric Co (MERALCO) announced their scheduled maintenance work in Ayala Alabang and will affect our school. Please note the following details for your information:

05 February 2024 (Monday)

Excavation for the erection of a new pole.

- We cordoned off 2 parking slots for Meralco crew to do excavation works for the installation of a new pole.
- No power interruption.

09 February 2024 (Friday)

Pole Erection

- We will cordon off the Gate 2 parking area for the mobilization of Meralco crew to accommodate their heavy equipment and telescopic boom trucks.
- No power interruption.

10 February 2024 (Saturday)

Wire Streaming

- We will cordon off Gate 2 parking area and the front area of the Pump house for Meralco Telescopic Boom Truck (Main Building)
- There will be no parking along Molave street for their telescopic boom trunk (Lower Grades)
- Selected City Green gardeners will be assigned to do clearing along the Transformer area during power interruption,
- **Power interruption will be from 10am to 3pm.**
