August 19, 2024

Dear **Parents/Guardians**,

Greetings!

We are writing to provide an important update regarding our learning modalities and class schedules due to the suspension of face-to-face classes today, August 19, as a result of the volcanic smog.

Following the local government of Imus' recent announcement of class suspensions effective 1:00 PM today, asynchronous learning scheduled for this afternoon has been suspended.

However, we received DepEd Memo 046 this afternoon. In light of this, DLSZ will shift to online distance learning on August 20. We will facilitate shortened **Online Synchronous Classes for Grades 3 to 12** and **Asynchronous Learning for Pre-Kinder to Grade 2**. The Cycle 4 Day 5 schedule will be followed. **Student's schedule and Google Meet link will be posted on Canvas.**

This approach ensures that our cyclical schedules remain aligned and continue to support our integrated curricular programs. We would like to emphasize the importance of designing lessons, tasks, and formative assessments that are flexible and adaptable to online synchronous and/or asynchronous learning in case a similar transition becomes necessary.

Please be guided accordingly.
