Dear **Parents/Guardians,**

Greetings!

De La Salle Santiago Zobel School (DLSZ), in partnership with Marshall-Cavendish Education, is excited to invite your child to embark on an extraordinary journey of learning and discovery through the **STEM Executive Education (SEEd) Program** in Singapore. This immersive one-week program, scheduled from October 27 to 31, 2024, is designed to inspire and empower Grades 5-12 students with a passion for Science, Technology, Engineering, and Mathematics (STEM).

During the SEEd program, your child will have the opportunity to:

- **Expand their horizons:** Immerse themselves in sustainable living, digital literacy, and design thinking.
- **Sharpen their skills:** Master advanced STEM concepts, critical thinking, and problem-solving techniques.
- **Connect with the future:** Explore cutting-edge technologies and network with like-minded peers from around the world.
- **Inspire change:** Gain practical knowledge to contribute to a sustainable future.
- **Celebrate achievements:** Earn a certificate recognizing their growth as a future leader.

We believe that the SEEd program offers an unparalleled opportunity for your child to develop essential 21st-century skills, foster creativity, and cultivate a global perspective.

We encourage you to register your child on or before August 28, 2024, as the available slots are limited. For more information or to register, please visit our Google Site using the QR code below.

We look forward to welcoming your child to the SEEd program!

In St. La Salle,

Mr. Gerald Ferrer
Math Unit Head
