July 21, 2025

Dear **Parents/Guardians**,

Warm greetings of peace and joy!

In our continuing commitment to provide meaningful, values-driven, and real-world learning experiences to our students, we are excited to inform you about the upcoming Cross-Curricular Integrated Performance Task for our Grade 5 and Grade 6 students. This year's culminating activity is designed not just as an academic requirement, but as a celebration of family, health, and community.

In collaboration with the Independent Teachers Union (ITU), the Grade 5 and Grade 6 teachers of De La Salle Santiago Zobel School have organized a special event where students will take an active and meaningful role as part of their Performance Task entitled "BERDE: 5TRIDE AND 6LIDE, A Performance Task for a Cause" on Saturday, August 9, 2025.

This initiative fosters a spirit of togetherness, physical fitness, and the Lasallian core values of faith, service, and communion through a community-building event for students and their families. It is an interdisciplinary and experiential performance task that aligns with Sustainable Development Goal (SDG) #3: Good Health and Well-Being. Additionally, the event seeks to raise funds for our partner community, Anak Mindanao Foundation, and to support the present and future medical needs of the Lasallian Partners, causes that are closely aligned with our Lasallian mission of service and community engagement.

We envision this Fun Run to be a collaborative effort where students, families, and the Lasallian community unite for a purpose. While our students will no longer be required to pay any fee, we warmly invite parents and other family members who wish to run alongside their child to participate in this meaningful event. A **registration fee** of Php 600.00 per accompanying runner shall be collected to defray event-related expenses and to directly support our fundraising initiatives.

Further details regarding the event, such as venue, payment details, race bib distributions, call time, route map, parking, FAQs, and others will be made available via a dedicated **Google Site and announcements through the students' Daily Reminders**. Kindly stand by for the official announcement and link through the students' Daily Reminders.

For questions/concerns, feel free to contact any of the following:

- Mr. Reyzter Nofuente, Grade 5 Mathematics Teacher
(reyzter.nofuente@dlszobel.edu.ph)
- Ms. Marie Eunice Valesteros-Taganahan, Grade 5 Level Team Leader
(vallesteroseh@dlszobel.edu.ph)

We encourage your family's active participation in this meaningful activity. More than fulfilling a requirement, this is an opportunity to build joyful memories, promote health and well-being, and take part in a collective act of service and compassion.

Thank you for your continued support and for journeying with us in forming committed, compassionate, and competent Lasallian leaders.

In St. La Salle,

Mr. Gerald Ferrer
Mathematics Unit Head

Ms. Arizza Mae Santos
Science Unit Head
