Re : **G5-10 Early Dismissal and Shift to Asynchronous Classes Due to Fuel Smell Along the Creek Beside DLSZ**

As part of our continued safety response to the **strong fuel smell detected along the creek beside DLSZ**, we are implementing an **early dismissal for Grades 5–10 students in Alabang Campus** and **suspending onsite classes for the Br. Rafael Donato FSC Night High School (BRafeNHS) today, August 5, 2025.**

Please be advised of the following dismissal time:

- **Grades 5 and 6:** Dismissal at **12:00 PM**
- **Grades 7 to 10:** Dismissal at **12:30 PM**

These grade levels will shift to structured asynchronous learning for any remaining scheduled subjects. Please note that all after-school activities and trainings will be **postponed**.

Dismissal Reminders:

- Students will be released through their **usual dismissal gates and protocols**. Departure Permits will no longer be issued. Parents do not need to fetch their children from the classrooms.

- **Face masks are strongly recommended** for all fetchers and students.
- **RTSP vans** will be allowed to pick up students at Caliraya Parking and in front of St. La Salle Building, with guidance from the Security Team

Health and Safety Advisory:

Exposure to fuel fumes may result in:

- Dizziness
- Headache
- Nausea or vomiting
- Difficulty breathing
- Asthma or allergic rhinitis flare-ups
- Other respiratory concerns

If your child experiences any of these symptoms, please move them to a well-ventilated area, loosen any tight clothing, offer water if they are conscious, and seek immediate medical attention or visit the nearest clinic.

Thank you for your understanding and cooperation as we prioritize the health and safety of our students. We will continue to monitor the situation and update the community accordingly.
