Re : **Alabang Campus Status Update - August 6, 2025**

---

Based on the latest advisory from Brgy. Captain Lester Suntay, a physical assessment was conducted at around 5:00 PM today, August 6, in the areas near the creek within the DLSZ Alabang Campus. Due to the persistent strong odor, he personally coordinated with Mayor Ruffy Biazon and the concerned department heads.

As a precautionary measure, Brgy. Captain Suntay advised to put on hold face-to-face classes at the Alabang Campus tomorrow, August 7, 2025, and instead proceed with online synchronous classes. The area will be reassessed tomorrow, together with the Bureau of Fire Protection (BFP) and other authorities, to determine the appropriate arrangements for August 8, 2025.

We are closely monitoring developments and are in constant coordination with the authorities to secure the safety of our school environment. An update will be issued as soon as the go-signal to resume regular onsite operations is officially granted.

Thank you for your understanding, patience, and cooperation as we prioritize everyone's safety.
