Re : **Alabang Campus Status Update - August 7, 2025**

We would like to share the latest update regarding the situation affecting the Alabang Campus.

Earlier today, the school coordinated with local authorities including Barangay Ayala Alabang Captain **Dr. Lester Suntay**, the Bureau of Fire Protection (BFP) through **City Fire Marshal FSupt. Christopher Lumiwes**, and the Environmental Sanitation Center represented by their Department Head **Ms. Lorna Misa**. The assessment was based on recent water sampling and physical inspection conducted by the Muntinlupa City Health Office, led by Acting Head **Dr. Carolyn Magalong**.

As an initial advisory, the local government units recommend the continued suspension of all face-to-face classes and campus-based activities from **August 8 to 10, 2025**, to ensure everyone's safety.

We remain steadfast in our commitment to safeguarding the health and safety of our Lasallian community. Further updates will be communicated through official school channels once available.

Thank you for your continued trust and cooperation.
