A defining moment of ROBOQUEST 2025 was the presentation of the **Newtype Supreme Award**, an MVP-style recognition given to the most outstanding competitor of the event. This prestigious award was earned by **Chito Roxas Jr. (DLSZ 2027)**, recognizing his exceptional skill, leadership, and impact across multiple categories.

Capping off an impressive run, the **Robotics Elite Team** was named **Champion** for **Top Performing Schools**, affirming the team's dominance and consistency throughout the competition.

The team's success also extended beyond ROBOQUEST. In the **Pilipinas RoboSports Tournament 2025**, a season-long series organized by **PRST**, the Robotics Elite Team emerged as **Champion** in the **Open Category** and secured **2nd Place** in the **Elementary Category**.
